D. Leave Extension

In the event of an extended leave, the extended conditional leave of absence shall become effective when all sick leave (as identified in 13.1B) is exhausted or at the option of the employee.

The employee shall be given first refusal rights to the comparable, available position, and one for which he/she is qualified, following a period of fourteen (14) days after notification of desire to return to employment. In the event that two people are seeking the same available position, that person who first notifies of his/her desire to return shall be given the first opportunity for the said position.

13.8 PROFESSIONAL LEAVE

Professional leave days may be used for any educational purpose with the approval of the building principal. The employee planning to use a professional leave day shall notify their principal at least one week in advance of their absence. Professional days shall be used for the purpose of:

- (1) Visitation to view other instructional techniques or programs.
- (2) Conferences, workshops, or seminars conducted by colleges, universities, or other educational institutions or organizations.

13.9 EXTENDED LEAVE OF ABSENCE

A. Purpose

An extended leave of absence shall be granted to an employee by the Board for study, including study in another area of specialization, for travel, or for other reasons of value to the school system.

B. Conditions

Extended leave of absence may be granted, subject to the following conditions:

1. Limitations

Leave may be granted to no more than 6% of the teaching staff in one year. Leaves may be further limited to only one teacher from any one building.

2. Requests

Requests for extended leave of absence shall be received by the appropriate principal, in writing, and in such form as may be mutually agreed upon. After the appropriate principal has received the request, he/she will forward it to the superintendent. Action by the Board must be taken on all such requests no later than February 1 of the school year preceding the school year for which the leave is requested.

3. Notification of Intent

The teacher for whom the leave is approved will notify the Board of the intent to take a leave no later than March 1 of the previous school year for which the leave is granted.

4. Minimum Time to Qualify

The employee has completed at least seven (7) full school years of service in the Lamoni School District.

5. Pay

An employee on extended leave of absence (either for one-half of a school year or for a full year) shall not be paid by the Board.

6. Remuneration

During the period of extended leave of absence, an employee may engage in remuneration employment and may accept grants or fellowships.

7. Return

Upon return from extended leave of absence, an employee shall be placed on the salary schedule and maintain the same benefits as he would have accrued had he taught in the system during such period; with the exception that additional sick leave days will not be added during the time of the leave.

13.10 LEAVE WITHOUT PAY

After all available paid leave is exhausted, additional leave may be granted at the discretion of the Superintendent. The employee will be docked 1/190 of their salary for each day of leave granted under this section.

13.11 After all available paid leave is exhausted and a substitute teacher has been in the same classroom for twenty (20) consecutive days and is beginning to be paid a portion of base pay, then the regular teacher will be on leave without pay.

13.12 If a teacher is not a contributor to the bank, the agreement in 13.11 will take place as soon as his/her paid leave days have been depleted.

ARTICLE XIV

EMPLOYEE EVALUATION

14.1 EVALUATION PERIOD

The classroom teaching performance of regular full-time and part-time first, second and third year classroom teachers shall be formally evaluated a minimum of twice each school year. Beyond their third year of service, classroom teachers will be formally evaluated as deemed practical and possible by the administration.

14.2 NOTIFICATION OF EMPLOYEE WITH PROCEDURES

Within six (6) weeks after the beginning of each school year, teachers shall be acquainted, by a member of the administrative staff, with the evaluation procedures to be observed.

All formal evaluation of classroom teaching performance of a classroom teacher shall be conducted openly and with full knowledge of the teacher. The teacher will be advised (prior to the first formal evaluation) as to date and time.

14.3 RESULTS OF EVALUATION

Results of the formal classroom observations provided for in 14.1 shall be provided in writing, with a copy to be given to the teacher, and shall be preceded by an in-class observation of the teacher's performance.

14.4 MEETING WITH EMPLOYEE

The evaluator shall have a meeting with the employees within ten (10) working days following classroom observation and prior to submission of the written evaluation for inclusion in his/her personnel file. When necessary the written evaluation shall include remediation measures to be taken by the teacher. It shall be the sole responsibility of the teacher to carry out the remediation.

14.5 EMPLOYEE RESPONSE

The teacher shall have the right to submit an explanation or other written statement regarding any evaluation for inclusion in her/her personnel file.

14.6 AREAS OF EVALUATION

This article deals with but a single method of teacher evaluation; i.e., evaluation of classroom teaching performance. Other methods of evaluation may be used. Some of the areas considered are:

- (1) Classroom Management
- (2) Character Development
- (3) Curriculum Development
- (4) Daily Preparations
- (5) Knowledge of Subject Matter
- (6) Public Relations
- (7) Pupil-Teacher Relations
- (8) School Wide and System Wide Effectiveness
- (9) Techniques of Instruction
- (10) Pupil Evaluation

NOTE: (See Teacher's Evaluation Plan for the Lamoni Community School District)

14.7 EVALUATION FILE

A file containing all documents and information relevant to a teacher's evaluation, will be maintained for each teacher in the Superintendent's office. The teacher will have access to the materials in this file at all times and may include responses, rebuttals, and similar items in the file.

14.8 COMPREHENSIVE EVALUATION

The District will agree to establish a management/labor committee that will meet at least six times for the 2007-2008 school year. The management/labor committee will jointly review the comprehensive evaluation model proposed by the Iowa Department of Education. The

committee will determine whether the criteria more clearly define the standards for the District. The District will agree to pay for three committee members to participate in the group on a per diem basis. The committee will develop recommendations for the District and teachers to review by March, 2007. The District and the Lamoni Education Association will then determine whether to implement those criteria.

ARTICLE XV

17.2 PROCEDURE

A. First Step

An attempt shall be made to resolve any grievance in informal, verbal discussion between complainant and his/her supervisor. All grievances must be presented within twenty (20) contract days from the time such event becomes known to the grievant.

B. Second Step

The aggrieved person may invoke the formal grievance procedure through the Association by completing the grievance form provided by the Association. This written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The grievance form must be signed by the grievant and a representative of the Association. The filing of the grievance must be made within ten (10) days from the termination of Step One.

The appropriate principal shall indicate this disposition of the grievance in writing to the grievant within five (5) contract days of the presentation of the formal grievance and shall furnish a copy thereof to the Association.

C. Third Step

In the event a grievance has not been satisfactorily resolved at the Second Step, the aggrieved teacher shall file within five (5) contract days of the principal's written decision at the Second Step, a copy of the written grievance with the Superintendent. The Superintendent, or his/her designee, shall meet with the aggrieved parties of interest within five (5) days of receipt of the written grievance.

Within ten (10) contract days of having met with the grievant, the superintendent, or his/her designee, shall indicate his/her disposition of the grievance in writing and shall furnish a copy thereof to the Association.

D. Fourth Step

If the grievance is not solved satisfactorily at Step Three, there shall be available a Fourth Step of impartial and binding arbitration. The Association must submit in writing a request on behalf of the Association and the grieving teacher to the superintendent within thirty (30) days from the receipt of the Step Three reply.

The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within seven (7) days after said notice is given. If the two parties fail to reach agreement on an arbitrator within seven (7) days, the American Arbitration Association will be requested to provide a panel of seven (7) arbitrators. Each of the two parties, with starter chosen by lot, will alternately strike one name at a time from the panel until only one shall remain. The remaining name shall be the Arbitrator. The

decision of the Arbitrator will be binding and final within the limits of the grievance procedure.

Expenses for the Arbitrators services shall be borne equally by the School District and the Association.

The Arbitrator, in his opinion, shall not amend, modify, nullify, or add to the provision of the Agreement. His authority shall be strictly limited to deciding only the issues presented to him in writing by the school district and the Association and his decision must be based solely and only upon his interpretation of the meaning or application of the express relevant language of the Agreement.
